

UK Stem Cell Bank Articles and Reviews since 2007

[6. Biobanking and Biopreservation](#)

Name of Article	Long-term <i>ex situ</i> conservation of biological resources and the role of biological resource centres.
Authors	Stacey, GN, and Day, JG,
Journal	Methods Mol. Biol., 368; 1-14.
Year	2007

Name of Article	Biobanking (invited review).
Authors	Day, J.G., Stacey, G.N.
Journal	Mol Biotechnol. 40(2):202-13.
Year	2008

Name of Article	Challenges for Banking Human Stem Cell Lines.
Authors	Stacey. G,.N.
Journal	World Stem Cell Report, October 2008, Genetics Policy Institute, USA.
Year	2008

Name of Article	The International Stem Cell banking Initiative: Raising standards to bank on.
Authors	Crook, J.M., Hei, D. and Stacey, G.N.
Journal	In Vitro Cell.Dev.Biol.—Animal, 46; 169-172.
Year	2010

Name of Article	A call for standardized naming and reporting of human ESC and iPSC lines.
Authors	Luong MX, Auerbach J, Crook JM, Daheron L, Hei D, Lomax G, Loring JF, Ludwig T, Schlaeger TM, Smith KP, Stacey G, Xu RH, Zeng F.
Journal	Cell Stem Cell. 8(4):357-359.
Year	2011

Name of Article	Stem cell banks: preserving cell lines, maintaining genetic integrity, and advancing research.
Authors	Healy L, Young L, Stacey GN.
Journal	Methods Mol Biol.; 767:15-27. PMID: 21822864
Year	2011

Name of Article	Banking stem cells for research and clinical applications.
Authors	Stacey G
Journal	Prog Brain Res; 200:41-58. doi: 10.1016/B978-0-444-59575-1.00003-X. PMID: 23195414
Year	2012

Name of Article	Banking iPSC lines: Lessons learnt from ES cells.
Authors	Stacey, G, Crook, JR, Hei, D, Ludwig, T.
Journal	Cell Stem Cell, 13: 385-388.
Year	2013

Name of Article	Putting cells to sleep for future science.
Authors	Stacey, G.N. and Day, J.G.
Journal	Nature Biotechnology 32, 320–322; (2014) doi:10.1038/nbt.2869.
Year	2014

Name of Article	Setting up a Haplobank: Issues and Solutions.
Authors	Barry J, Hyllner J, Stacey G, Taylor CJ, Turner M.
Journal	Cell Stem Cell (2015) Curr Stem Cell Rep. DOI 10.1007/s40778-015-0011-7.
Year	2015

Name of Article	Impact of National and International Stem Cell Banking Initiatives on progress in the field of cell therapy.
Authors	Aoi T and Stacey G.
Journal	IABS-JST Joint Workshop: Summary for Session 5 Biologicals. 43, 399-401.
Year	2015

Name of Article	Impact of National and International Stem Cell Banking Initiatives on progress in the field of cell therapy.
Authors	Aoi T and Stacey G.
Journal	IABS-JST Joint Workshop: Summary for Session 5 Biologicals. 43, 399-401.
Year	2015
